

# Symposium 'Going Glocal'

**Evidence-based Education for Global Citizenship**

**Theory, Practice, and Evaluation**

**Tuesday, May 19, 2015**

**9:30 am—6:00 pm**

**University College Roosevelt**

**Middelburg, The Netherlands**

The 'Going Glocal' program brings together people from different parts of the world and raises challenges about global citizenship. For 3 years, the program has been a transformative learning experience for the university and the youth involved. We are pleased to organize this symposium to share our commitment to strengthening global citizenship.

**Join us for a memorable day of collaborative learning!**

<b>Panel 1</b>	<b>Global Citizenship in Practice</b>
<b>Panel 2</b>	<b>Measuring Global Citizenship</b>
<b>Panel 3</b>	<b>A transformative learning experience</b>
